

LEGAL TECH VENTURE DAY

MEXICO JULY 17th

The Law Schools Global League and Ontier, in collaboration with IE and ITAM, are pleased to launch the first Global Legaltech Venture Day in Mexico City taking place on July 17th at the ITAM Campus. Mark your calendars!

This cutting-edge, highly competitive program is designed to identify and support start-ups that have the ability to have a positive impact on major challenges faced by legal operators—whether private or public—as well as legal systems, so as to improve their operations thereby furthering the cause of justice.
