<p>About</p>	<p>Founded in 1890, Illinois Institute of Technology (Illinois Tech for short) is a STEM institution located in Chicago, Illinois U.S. From skyscrapers to startups, Illinois Tech has fueled the city's rise as a global metropolis.</p> <p>Our alumni include the inventor of the cell phone, the head scientist for Amazon's Alexa, and the scientist who discovered the causes behind the depletion of the ozone layer. At Illinois Tech, students learn by creating, inventing, and solving—not just in the classroom.</p>
<p>Location</p>	<p>Illinois Tech's main Mies Campus, an architectural landmark, is a 15 minute train ride south of downtown Chicago - The Loop. With a population of nearly 3 million, Chicago is the third largest city in the U.S. Known for its deep-dish pizza, jazz culture, rich museum history, and proximity to Lake Michigan beaches, Chicago is one of the leading cultural hubs in the U.S. All students receive a UPass through their tuition which allows them to use public transport to explore the city of Chicago.</p> <p>Points of Interest:</p> <ul style="list-style-type: none"> ● Art Institute of Chicago ● Chicago's Chinatown ● Shedd Aquarium ● Landmarks from modernist architect Ludwig Mies van der Rohe, including S.R. Crown on Illinois Tech's Mies Campus, Farnsworth House, and AMA Plaza
<p>Academics</p>	<p>Illinois Tech offers over 40 programs in five colleges, including:</p> <ul style="list-style-type: none"> ● College of Computing <ul style="list-style-type: none"> ○ Computer Science, Artificial Intelligence, Information Technology and Management ● Armour College of Engineering <ul style="list-style-type: none"> ○ Aerospace, Mechanical, Computer, Biomedical Engineering ● Lewis College of Science and Letters <ul style="list-style-type: none"> ○ Biology, Digital Humanities, Psychological Science ● Stuart School of Business <ul style="list-style-type: none"> ○ Business Administration ● College of Architecture <ul style="list-style-type: none"> ○ Architecture <p>Please visit our website for information about additional programs offered at Illinois Tech.</p> <p>Visiting/exchange students on a J-1 Visa must take at least 12 credit hours of classes per semester at Illinois Tech. Students should verify with their home university that credits earned at Illinois Tech are transferable.</p>

Applying

Application Steps for Visiting/Exchange Students

- **1. Exchange Students Only:** Request for your study abroad advisor to nominate you using the online Illinois Tech exchange nomination form.
- **2. Complete your application to Illinois Tech. To apply, you will need:**
 - Our online application
 - Official transcripts from your current institution
 - 1 letter of recommendation
 - Official TOEFL/IELTS/Duolingo Scores
 - Portfolio (Architecture students only)
- **3. Submit the financial affidavit of support, bank statements, and a passport photo. Once Illinois Tech receives these materials, you will be mailed a DS-2019 in order to apply for a J-1 Student Visa.**

Students may scan the QR Code below to access Illinois Tech's Visiting/Exchange application with more detailed information.
